four for me, and thus he continued until the fever, I dedn't get a chance to get off the Wash- pocketbook containing upwards of \$600. A young money was divided into two piles, and with an | ington remark. suys Jonney : "who does this belong to ? Well, settle, of April 6th, relates this incident : A man sound. The gratified Teuton, after counting the we'll throw up, heads for me and tails for Hank,' in Livermore, a weak or so ugo, was digging a money and fedding it all right, thus addressed the and up it went. "Tails, by jing I be exclaimed; well, and after sinking down about forty-five feet | Suder; "Bob, you is one honest man; I tells you up it went once more. Hear's! I thought it in despair when all at once a drop of water struck was mine, and with a satisfied air he pocketed his cheek, having fallen from above. The dishis share, and started for the office to make his heartened well-figger looked up and saw, about return. Hank took a short cut, and when Johnny twenty feet above his head, a small stream trickentered was behind the counter ready to receive ling down the side of the shaft. As he was gra-

etly : "we don't need your services any more." his son was standing near the month of the well "> Fh ! how's that? What's the matter, Mr. and comprehending his parent's peril threw down Miller I excluimed the astohished John

Wale. Hank dryly replied; you ought to have terribly frightened. The well filled up to within given me another chance for that four shill'a." - a few feet of the surface, and the water remains N. F. Lepler.

### Mark Twain's First Experience in Journalism.

I was a very smart child at the age of thirteen -an anusually smart child I thought at the time. It may not be generally known to the public It was then that I did my first newspaper scrib- tion, and also the sympathy between our visual that there are in this city the elements of what bling, and, most unexpectedly to me, it stirred up and olfactory organs. Colonel Plint, of the is commonly known as a "community" or society a fine sensation in the community. It did, Guards, a bully and daellist, described in the

assistance, co-operative labor, and common prop- I was a printer's "devil," and a progressive and erty." Such, however, is a fact. About three aspiring one. My uncle had me on his paper in "Will's Coffee House." The period is that of years ago the pioneers in the enterprise, think- the Weekly Hannibal Journal, \$2 a year in George L, when it was fashionable for great ing they had strength enough to make a start, advance, 500 subscribers, and they paid in cord-bloods and bucks of the day to smoke long pipes, and relying upon the premises of pretended wood cabbages, and unmarketable turnips;) and | designated as "a yard of clay." With such a friends, left St. Louis and established themselves on a lucky Summer's day he left town to be pipe Colonel Fliat had duly provided himself for in Jusper County, in this State. There they gone a week, and asked me if I thought I could rehearsal; and to make his stage business more struggied along till tast sammer. Those upon edit one issue of the paper judiciously. Ah. whom reliance had been placed for assistance. didn't I want to try! Hinton was the editor of sue from the bowl, and float over the once famous after the first movement, however, failed to fulfill the rival paper. He had lately been jilted, and coffee-room. In no time came the manager, speaktheir promises. The land had been bought on one night a friend found an open note on the ing quickly, "My dear H---, on ne account attime, and they found themselves unable to meet poor fellow's bed, in which he stated he could no tempt to smoke! The Queen detests tobacco, their obligations. So they were obliged to dis- longer endure life, and had drowned himself in and would leave the box immediately." band about the middle of the sammer, and give Bear Creek. The friend ran down there and -There is no tobacco in the pipe," replied the ments had been made. Before the disorganiza-had concluded be wouldn't. The village was full discovered Hinton wading back to shore! He Colonel. tion, the community numbered nine men, six of it for several days, but Hinton did not suspect women and twenty-seven children. Some of the it. I thought this was a fine opportunity. I waistcoat pocket a handful of dried herbs. members at once moved further West, declaring wrote an elaborately wretched account of the | "I got them in Convent Garden Market, this it to be their intention to buy land where it was whole matter, and then illustrated it with vil-morning, on the way to rehearsal." cheaper, and continue to propagate the principles | lainous cuts engraved on the bottom of wooden of communism, and form another such organization as soon as possible. Others returned to St. Hinton wading out into the creek in his shirt, pipe must be fool." Louis to gather additional strength, recruit their with a lantern, sounding the depth of the water with a walking-stick. I thought it was destailor from Quincy. He was a simpering coxcomb The organization of the supporters of the of the first water, and the "loudest" dressed theory is being gradually perfected, and they man in the State. He was an inversate womanhave attained such strength as to make an expo-killer. Every week he wrote lasby "poetry" sition of their principles of no little interest to for the Jourson' about his newest conquest. His

at about the same hight.

### An Amusing Incident.

An incident, which will be regarded as rather # odd and unique, may serve as material for some curious speculations, as to the force of imaginadramatis persone as a "fire-eater," was to stand with his back to the red-glowing chimney-piece perfect, soft-rolling clouds of smoke began to is

"Oh-come-nonsense." "Look here!" and the Colonel took out of his

"Well, we smelt tobacco the moment we came

"It is quite a new pipe? Mark Lemon now came up, and protesting Among these was Alexander Longley, the perately funny, and was glensely unconscious that he also smelt tobacco, and that the pipe CREATLY BELOW COST! EXPRESSLY FOR THIS MARKET

> Before the next rehearsal, however, another pipe, warranted new and pure, was obtained, independent of which it was placed in the fire, and kept at white heat long enough to purify it ten times over, even had it been one of the unclean. Again the cloud began to unfold its volumes over "Will's Coffee Room," and this time Sir Joseph Paxton came running from the seats in front of the smell of tobacco that smoking must really not be attempted. Once again the Colonel protested the innocence of his pipe, in proof of which he produced a bandful of dried thyme and rose feaves from his wastcoat pocket. In vain Sir Joseph insisted that he smelt tobacco? "They all smelt it!" So this second yard of clay was
